AUCTIONEERS CONDITIONS OF SALE

1. The stock will be sold in Euro's plus a 5% buyers premium on the hammer price.
2. The bidding is to be regulated by the auctioneers, the auctioneers will regulate the bidding as they see fit.
3. The highest bidder for any lot shall be the buyer and the contract shall be concluded on the fall of the hammer. If any dispute should arise, the lot in dispute is to be put up again and re-sold, or the Auctioneers may determine the dispute at their discretion and their decision shall be final.
4. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give a reason for such action. The purchaser is to give his/her name and dwelling place and pay for all lots at the close of sale. No lot or lots shall be removed from the vendor's premises until paid for, but each and every lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed at the purchasers' expense.
5. It shall be the Vendor's responsibility to ensure that their animals are declared as being eligible for export at the time of sale. No liability shall rest with the Auctioneers for failure to declare any animal as being export tested.
6. Title (ie.ownership) to any animal or animals will not pass to the purchaser until payment of the entire price bid by that person or persons shall be discharged to Denis Barrett Auctions.
7. Animals must be collected within 10 days of the conclusion of sale. There will be no complaints entertained after 3 weeks from the conclusion of the sale as is appropriate with a full dispersal.
8. All loading shall be the duty and responsibility of the purchaser. All animal movements are the duty of the vendor and purchaser.
9. All statements in the catalogue or any made by the Auctioneers at the time of sale, also the identification of the animals, are the entire responsibility of the vendors. The Auctioneers take no responsibility for the correctness of such statements or identities.
10. The Auctioneers act, as agents for the vendors and any action taken by the purchaser must be against the vendor and not against the Auctioneer, and "vice, versa".
11. Neither the vendors nor the Auctioneers will be responsible neither for any accident through fire or any other cause nor any damage done to the lot, during or after the sale.
12. If any of these conditions are unfulfilled, the vendors or the auctioneers shall have power to re-sell the lots, retaining any surplus and charging any deficiency and expense to the defaulter.

TERMS OF PAYMENT: Credit/Debit Card or Credit Transfer to Denis Barrett Auctions.
